DANISH LANGUAGE COURSES

Whether you come to Denmark with very few years of schooling or have an advanced education from your home country, Sprogcenter Nordsjælland offers Danish classes, which will be suitable for your specific level.

WE OFFER

- Danish classes during the day or in the evening.

FVU

- If you have a certain knowledge of Danish, but still lack reading and writing skills, you may enroll in Forberedende Voksenundervisning (FVU, Preparatory Adult Education). You may also take FVU-Matematik (Math).

WHAT IS SPROGCENTER NORDSJÆLLAND?

Sprogcenter Nordsjælland is a cooperation between 10 municipalities in Northern Zealand. The center has operated since 1999. There are approximately 1000 students enrolled at the language center. All the teachers are educated as teachers of Teaching Danish as a Second Language and counsellors.

WHERE DO THE CLASSES TAKE PLACE?

The classes take place at the various departments of the Sprogcenter in Hillerød, Helsingør, Frederikssund and Frederiksværk.
