IN YOUR JOB, WITH YOUR EDUCATION OR AS  
A CITIZEN IN DENMARK

## IS THE COMPUTER YOUR BEST WORK TOOL?

Sprogcenter Nordsjælland offers Danish language classes for students, who prefer to carry out most of their Danish language training via e-learning.

### EFFICIENT AND FLEXIBLE DANISH LANGUAGE TUITION

- The Danish language tuition has been designed as a combination of Saturday classes and self-study.
- You will practise direct dialogue once a week, on Saturdays. Saturday classes are 6 hours every Saturday.
- Your self-study consists of self-study with interactive programs, DVDs, audio CDs, and books as well as other relevant texts.
- Furthermore, you have to complete written assignments that you mail to your teacher and prepare oral presentations.
- You will use 9-10 hours a week as a minimum on your self-study.
- There will be continuous module tests, and you have the opportunity to complete your language tuition with a test in "Dansk 3" or "Studieprøven".

## REQUIREMENTS

To be able to carry out your Danish language training as Saturday classes and e-learning, it is required that:

- You are approved for "Danskuddannelse 3".
- You are used to studying.
- You are comfortable with the use of computer and internet.
- You need a computer with internet access.

The homework is extensive and it is required, that you work very independently and disciplined.

### USEFUL INFORMATION
